IN THIS ISSUE OUR FAMILY

We pray that this newsletter reaches you all in sound mind and health. Your reunion committee continues to work hard in planning our 40th reunion. With God at the helm, we are excited for a fun-filled family fellowship in July.

As 2016 has gotten underway, we are also gathering together as family without waiting for the reunion! We've come together to relax, to support and to celebrate life. We hope you enjoy some pictures. As always - **If you are taking part in gatherings with the extended family or have other news you'd like shared, please let us know through calls, texts, FB messages, and of course our family email address at DEVOEFAMILY.ISAAC@GMAIL.COM.**
